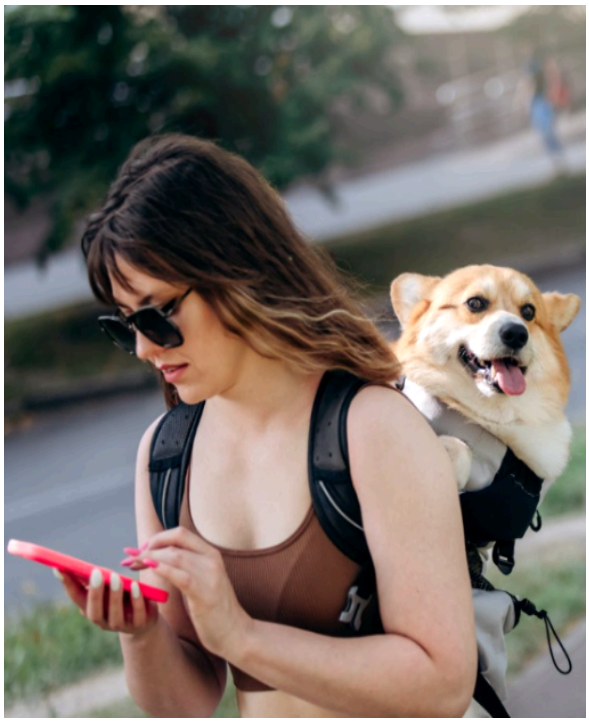
Dating Women - an Illustrated Guide for Men

Choosing a date can be a challenging task for men. There are many available women, but how can you tell which one may be right for you ? To help with the selection process, I have created this handy illustrated guide, to the subtle indicators that may help you find the perfect woman.

Example 1: Both of these women are good dating choices, but one has that little something extra.

Example 2: Here are two more examples of feminine perfection, but one is a lot more interesting.

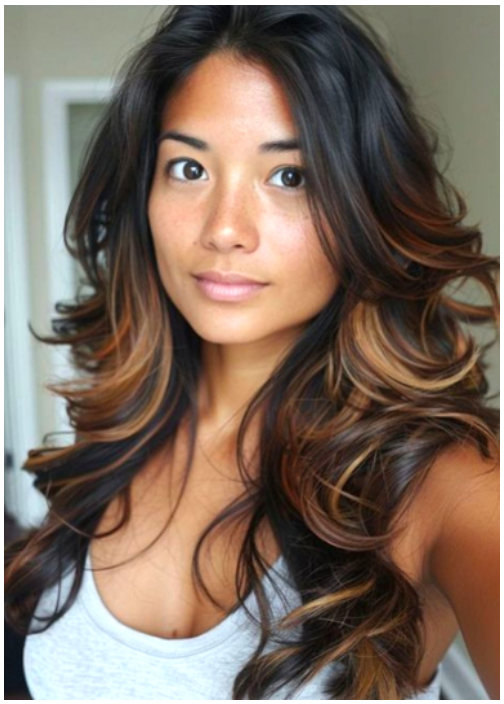


Example 3: Does your potential date like animals ? Watch how they interact, and you will learn a lot about them. Now guess which one of these two women I would prefer to get to know better.

Example 4: Both of these beautiful women like horses, but only one of them makes me want to ride off into the sunset with her. Examine the photos closely, and see if you can figure out why.

Example 5: Here are two stunning brunettes, doing what they enjoy; which one is right for you ?

Example 6: Ask your potential dates if they love being out in the woods, and have them describe what they like to do when they are outside, then you will know which one you should ask out.



Example 7: Offer to take your date out shooting, and then you will know if you are compatible.

Example 8: Some women like to hunt for bargains shopping, but some girls like to hunt for food. Which of these two types do you think would be the most interesting to go out on a date with ?

Example 9: Your date may enjoy a relaxing country drive, but some can be more fun than others!

Example 10: Beautiful women often have other traits, that can make them even more attractive.

Example 11: Both of these ladies are ready for fun, but which one would you prefer to be with?

Example 12: If your date decorates like this for the holidays, then you may have found a keeper!

Example 13: A woman who likes flowers is good, but one who can grow food is even better!

Example 14: One way to find good dating prospects is near military bases, or at shooting ranges.

Example 15: If your prospective dates enjoy being outdoors, try taking them hiking and camping.

Example 16: Ask your potential date what they like to read; it reveals a lot about their character.

So there you have it - now just follow these sixteen suggestions, and find the girl of your dreams!

Note: An ideal woman attracts many men, so to win her heart you must give her what she needs!

And if your date is bored by boxes of chocolates, why not offer her these romantic gifts instead?
